

## **The Bobbie and Harold Trull Endowed Scholarship**

Bobbie and Harold Trull both came from humble tenant farm homes. Bobbie Nell Jopling married Harold Edmund Trull in McAdoo, Texas, on July 6, 1947. They met and began courting while attending church services, and they continued serving God while raising their family on a family farm. Their sons, Alton and Clifford Trull, and their daughter, Kathie Trull Walker, saw their parents exemplify honest, hard work and daily faith. With his skill in working with machinery and in farming, Harold took care of his family while also giving time to their church family and is presently an active deacon. Bobbie served their church in many ways, teaching Sunday school, Girls' Auxiliary, WMU, as well as leading the singing with her beautiful voice. Harold served some years as Association Clerk of the Caprock Baptist Association. Bobbie also served as Caprock WBU director. Bobbie, the precious heart of her family, was disciplined with her time, in her faithful study of God's word, and in her intercession for others. Bobbie was diagnosed with leukemia and went on to be with the Lord on September 24, 2001. This endowment is to honor these two individuals who were blessed by God and then gave of themselves as God directed. We encourage each recipient to work and pray diligently so that they might become a part of this heritage of faithfully sharing the love of God and of having personal faith in Him, the gift in Ephesians 2:8-9.
