Textbook Information

Required Textbook(s) and/or Required Materials

BOOK	AUTHOR	ED	YEAR	PUBLISHER	ISBN#
<u>Fundamentals of Financial Management</u> With Mind Tap	Brigham & Houston	11th	2022	Cengage	9780357517734

If this is an UNDERGRAD class the textbook for this course is part of the Pioneer Academic Access Program. You will have access to an eBook and interactive learning material on the first day of class through your Blackboard course site. If the course requires a physical book you can order at bookstore.wbu.edu. The cost of all your materials are billed to your student account at \$26.00 per credit hour. You can choose to opt, however if you do you will lose access to all classes/materials and have to source through third party vendors You will be notified via email with access instructions and additional information. If you are in a GRADUATE class you will have an Automatic eBook which is billed

directly to your student account or a physical book that can be purchased at bookstore.wbu.edu. If you do not wish to participate in the Automatic eBook program, you will have the first week of class to opt out of the program (additional details will be outlined in your email instructions).

Optional Materials none

Course Outcome Competencies

- Summarize the function of the financial manager and related financial tools available to manage a firm's finances and build shareholder wealth.
- Apply financial analysis models to measure a firm's financial strengths and weaknesses.
- Explain the term structure of interest rates and apply time value of money.

Artificial Intelligence: please review the policy for generative artificial intelligence below for this course.

- A. Generative AI tools usage encouraged and may be actively assigned in course work.
 - i. Use of generative AI tools is actively encouraged and incorporated in to specific assignments for this course.
 - ii. Use of generative AI tools for assignments in brainstorming, content understanding, or revision to work is perfectly acceptable if cited and referenced properly in any submitted work for the course.
 - iii. Use of generative AI is encouraged as long as students understand the use of generative AI in the course is to be an assistance tool and not the generator of assignments and submitted work. Ultimately, all submitted work must still reflect student's own work, understanding, and analysis.
 - iv. Specific parameters for generative AI usage provided by the instructor.
 - v. Any use of generative AI tools outside of the approved instructor parameters will be considered a form of plagiarism and academic dishonesty.

Disability Statement In compliance with the Americans with Disabilities Act of 1990 (ADA), it is the policy of Wayland Baptist University that no otherwise qualified person with a disability be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity in the university. The Director of Counseling, Career and Disability Services serves as the coordinator of students with disability and should be contacted concerning accommodation request at (806) 2943765. Documentation of a disability must accompany any request for accommodations.

Course Requirements and Grading Criteria

Important Disclosure: the "First Assignment" is due on Week 1. This graded activity link will be available on the Blackboard Ultra main landing page and it serves to confirm the student's enrollment and interest to remain in the course. If this activity is not completed by the first Wednesday of the term, the student will be considered a "No Show" and will be automatically unenrolled from the course. Please pay attention to this important course activity.

- Complete all assigned reading as indicated on the course schedule, participate in the on discussion board forums and complete all assignments. In case the student is unable to submit assignments on the due date, please make prior arrangements with the instructor.
- Blackboard Discussions Board forums (24%) There will be 8 weekly discussion board forums. Each forum will consist of 3 questions (3 forum threads). Each weekly discussion board forum will be worth 30 points.
- Weekly set of Assignments (76%) There are 8 weekly sets of assignments built in Cengage MindTap platform based on the assigned chapters for each week. Each weekly set of assignments in Cengage MindTap is worth 25 points, all as follows: 1-3.3 (a) 0.7 (c) 4.9s (12.0%) and 4.9s e' nTT2.2

Student Grade Appeals Students shall have protection through orderly procedures against prejudices or capricious academic evaluation. A student who believes that he or she has not been held to realistic academic standards, just evaluation procedures, or appropriate grading, may appeal the final grade given in the course by using the student grade appeal process described in the Academic Catalog.
