

**POLICY & PROCEDURES MANUAL**

**WAYLAND BAPTIST UNIVERSITY**

**Classification Number: 5.2.1**

**Revised: August 14, 2017**

**SUBJECT: CLASSROOM AND LABORATORY SAFETY**

Maintaining a safe and educationally sound classroom environment is the responsibility of each university faculty member. Because of the unique environmental and safety conditions which may attend instruction and participation in the physical and biological laboratories, in physical education and in theatre, the university has established specific guidelines related to de atate

Prior to their participation in any production activity, students will be required to sign a standard form indicating that they have read these procedures, understand their importance and are willing to fully comply with each.

Faculty will be responsible for monitoring and reinforcing all safety procedures as a part of both their classroom instruction and production activities.
